#### Market Buoyant Because of Im proved Financial Conditions.

NEW YORK, May 11 .- The list of securities dealt in on the Stock Exchange had a more thorough exploita-tion to-day than on any other occa-

change had a more thorough exploitstion to-day than on any other occasion during the extended advance that
has occurred.

The regularity and precision of the
movements disclosed the skilled operations of professionals and habitual
speculative leaders.

The market was resilient on reactions, and closed at the top with a
renewed outburst of buying orders.

The action of the market was taken
to express satisfaction on the part of
the important financial interests with
the prospect for ultimate business revival and with the money and political
conditions.

The sale of notes by the Southern
Railway was taken as additional wartrant for confidence in the ability of
railroads, which have been hard pressed to obtain resources which will relleve them from immediate embarrassments, aithough the terms of sale of
these note issues are admittedly onerous. Yesterday's heavy gold engagements, together with the previous repayments of government deposits by
the banks, have produced a withdrawh
of \$5.855.000 cash from the banks by
the Subtreasury thus far this week. The
broadening of the bond market was a
feature of the day.

Total sales, par value, \$1.244.000.
United States bonds were unchanged
on call.

Total sales of stocks to-day 1,215,000

Total sales of stocks to-day 1,216,000

ROANOKE, VA., May 11.—With the assistance of Umpire Mace and loose playing on the part of the locals, the Shoemakers won from Roanoke this afterndon by a score of 8 to 7. Both teams evidently had a day off, though the errors made by the locals were the most costly.

Wallace started in to pitch for the visitors and was touched up at such a lively rate that Stewart was sent in to replace him in the fifth. The little pitcher fared little better, as the locals continued to hit the ball. In the ninth inning, when the locals came to bat, the visitors had a lead of three runs. Stocker first man up, hit safely. Shaffer following with another. Hessier got a base on balls. Clayton lined one out to left for two bases, scoring two runs. It was here the game was won by Lynchburg. Clark, next man up, hit what looked to be a safe Texas leaguer over second base, but Bowen, after a beautiful run and hard catch, got it, saving the game for Lynchburg. The tabulated score:

# WITH STICK WORK

d. wet
NOFFOLK. VA. May 14—Superior stick work in the first fifth and eighth innings gave Danville the opening game in the series with Portsmouth to-day by the score of 6 to 4. Steiner was not removed from the box in the third because of poor work, but was summarily benched by Umpire Wester-681 velt for questioning a decision. Those 6.82 who saw the ball declared it was a 5.71. I clean third strike, but the batter was walked. Westervelt's work was poor 4.73 and he was rossted throughout the game. Danville bunched hits in three innings and won. Portsmouth made her runs in the third, before Loos had warmed up to his work.

While the game was slow and marred by the faulty work of the umpire, it was intensely exciting. The long hitting of the visitors was a feature. Most of their drives were clean, and two runs were earned.

# GANS WINS.

SAN FRANCISCO, CAL. May 14.—In the eleventh round of the fight between Joe Gans and Boer Unholz to-night the referee stopped the fight after the latter had been repeatedly confad. At the end of the first round Gans had a slight lead, having partially closed the Boer's left eye with a right cut. In the second round Unholz had slightly the better of it. His right caught Gans on the jaw as the latter was coming in.

The third round was a bit in favor of Unholz, whol anded some good punches. The fourth round was Gans's. He floored Unholz with a left upper cut, and the Boer was down for the count of five.

In the fifth Gans had solved the Boer's style of fighting, and easily held his man off, occasionally planting his left to the face. It was Gans's round.
